

# Encino Trace

LUXURY APARTMENT HOMES

## **OFFER WE RECEIVED from [reagan.brown@greystar.com](mailto:reagan.brown@greystar.com):**

My name is Reagan, and I am the Assistant Community Manager for Encino Trace Apartments located on Harvey Mitchell Pkwy S in College Station. We are a brand new, luxury apartment community and we are looking for employers who'd like to participate in our preferred employer program.

Any Bryan ISD employee that applies to our community will receive an additional leasing special. They will receive a reimbursed application and admin fee, as well as ½ off the security deposit. If you would like to share this information with any current, or onboarding employees, we would love to have them join our community!

If you have any questions regarding the preferred employer program, please do not hesitate to reach out to me directly.
